Presented within this brochure are just a few memories we’ve been able to share with our ‘family’ at Wollaston Lake Lodge. Our staff continues to exceed the expectations of our guests and understand how precious your free time is. We understand the value of you choosing the Wollaston Experience and are committed to making it a worthy choice. Our guests are constantly telling us that they feel like part of our family. Family is what we believe in and how we treat our customers and each other. Choose Wollaston Lake Lodge and become ‘one of the family’.

Mike & Judy Lembke and Family
Wollaston Lake is one of Canada’s National Treasures.

Wollaston Lake, located in far northeastern Saskatchewan, Canada, is one of the world’s natural treasures. Lying just south of the Arctic Circle, this 800-square mile lake is home to some of the largest Northern Pike and Lake Trout found in the world. Walleye and Grayling, in impressive numbers and size, are also found here. It is a wilderness fishing dream. In the world of fishing, only the beauty of the surrounding forests and the warm and friendly atmosphere of Wollaston Lake Lodge can come close to complimenting the quality of the fishing found here. The management and staff have a single goal: to make your Wollaston Experience the most pleasurable and memorable of your life.

Not only is our lake a national treasure, but our people are too. The very same friends who fish with us year after year are not only drawn to Wollaston Lake Lodge for it’s fishing, but also its people. Our repeat guests have become ‘friends of the Wollaston family’ over the years.
FISHING
THE GRAND SLAM
Whether you are a baitcaster, spincaster or fly angler, Wollaston is your choice to both hone your skills and test your abilities.

Wollaston Lake’s 800-square miles of cool, clear water plunges to depths down to 400 feet. Numerous rivers pour highly oxygenated water into the bays. These factors, along with a tremendous forage base which helps our fish grow to such legendary size, provide the perfect habitat for our Northern Pike, Lake Trout, Walleye and Arctic Grayling.

These four species make up the Grand Slam of freshwater fishing. It is incredibly rare to find all four of these highly sought after species in the same lake anywhere in the world, much less Saskatchewan.

Each of our guides are true professionals and are skilled in all fishing methods. They are more than ready to show you the thrill of learning a new technique. They also know the pure adrenaline rush of fighting a huge fish, and their job is to help you feel it too.
GUIDES
AND EQUIPMENT
Never fished with a fly rod? No problem, we have high quality equipment here for you to rent while our guides teach the subtle art of fly fishing. We’re also equipped with a complimentary fly-tying bench so you can create your own patterns or tie up some of the tried and true producers.

We’re proud to provide our guests with safe, comfortable and fast transportation on the lake and in the air.

Wollaston Lake has a lot of areas to explore with 2,700 miles of shoreline. Each of our guides and his two guests, are provided with an 18-foot custom Lund Pro-V boat. An 80-hp Yamaha 4-stroke quietly gets you where you want to go on the lake smoothly and quickly. The boats come with an extra large casting platform along with wide gunnels. This design, exclusive to Wollaston Lake Lodge, provides an extra large area for casting and fighting those big toothy critters. The boats also come equipped with top of the line Lowrance depth finders and Minn Kota trolling motors, all adding to your ability to get into the big fish.

Daily fly-outs to remote parts of Wollaston Lake or to over twenty neighboring lakes will help maximize your Wollaston Experience. Two deHavilland Turbo Otter float planes can whisk up to six guests and their guides to these distant locations. Once you land, you’ll find well-equipped boats ready for you to explore areas only accessible by float plane.

All of our guides are also incredible outdoor chefs. Our shore lunches are more than the standard “fried and fried.” Whet your appetite over a shore lunch of fish or chicken stir fry, or baked Trout, and yes, fried Pike or Walleye. The choice is yours every day.
A fishing trip this far north used to include more than its fair share of roughing it, or doing without. Not here, not at Wollaston Lake Lodge.

Our 5-star chef team offers a variety of meal selections. Begin each day with a breakfast made to order. The pastry and bread chef will add to your meals by creating fresh baked goods for you daily. Then when sitting down to enjoy your choice of dinner, you can choose from our extensive wine list and complete your evening meal with a decadent dessert. Our portions will satisfy the hungriest appetite while our presentations impress.

There are no set times for you to come to dinner. This is your Wollaston Experience and you should set the plan. All meals are cooked to order and special requests are graciously welcomed.

Special dietary requirements are, of course, no problem for our team. Our chef and waitstaff are dedicated to making your culinary experiences just as memorable as your fishing.
5-Star service is what Wollaston Lake Lodge is all about. It starts and ends with our staff, a dedicated group of true professionals who are well-versed in the art of personal service. Our staff to guest ratio is better than one-to-one. We pay attention to all the details, making your stay so memorable you’ll just have to come back.

It is always our pleasure to welcome you and help make your Canadian wilderness fishing dreams come true.

Our mission at Wollaston Lake Lodge is to exceed your expectations.
CABINS
AND AMMENITIES
No, this isn’t roughing it, this is the Wollaston Experience.

All of Wollaston Lake Lodge’s cabins are modern in design and convenience. Cabins easily accommodate up to eight people in complete comfort. Each of our 20 cabins is equipped with its own thermostatically controlled electric heater, allowing you to be in charge of what is comfortable. You’ll find private bathrooms in each, complete with plush terry towels. Our beds are dressed with exceptionally soft flannel sheets. You’ll also find a small refrigerator, and ice is delivered every afternoon directly to your cabin. Upon waking, you’ll even find a thermos of hot coffee waiting for you right outside your door.

When traveling for that group getaway, or on a corporate retreat, our private conference room is perfect for those exclusive meetings or as a hospitality suite. Our workout room will help keep you in fish-fighting shape while our licensed massage therapist will knead those tired muscles back into that feeling of “ahhh.” Now, imagine finishing it all off with a relaxing sauna. A perfect way to close a perfect day at Wollaston Lake Lodge.

Most cell phones won’t work up in this wilderness. No worries if you need to keep in contact with your business or family, or simply brag about your fishing success. We supply wireless high speed internet, satellite television, as well as telephone and fax services in the lodge. You’ll also find an impressive wine selection, a fully stocked tackle shop, a humidor with Cuban cigars, and a complete bar and lounge.

### Fishing Itinerary:

On your arrival day you will be met at the Winnipeg airport by our Wollaston Lake Lodge expeditor. He will collect your bags and take you to the hotel for the night (room included in package). Early the next morning, you will meet the group in the hotel lobby, enjoy a continental breakfast, and will be taken to the charter flight. The charter flight is approximately 2 hours, followed by a short bus ride to the lodge. Once you arrive at Wollaston Lake Lodge there will be a hot breakfast available in the dining room. You will meet your guide afterwards and discuss your fishing plans for the next four days – Don’t forget to ask about fly-out opportunities. Breakfast is available each morning and dinner is served every evening in the main lodge. There are no set times, so come in when you’re hungry! On departure day, breakfast will be available in the dining room before you leave for your charter flight back to Winnipeg.

### Package Includes:
